The screenshot shows the Avisa.no website interface. At the top, there is a navigation bar with links for 'Forsiden', 'Nyheter', 'Sport', 'Fotball', 'Puls', 'Meninger', 'Forbruker', and 'Bilder/Video'. Below this is a large advertisement for Honda, featuring the slogan 'Norges rimeligste hybrid' and a 'PRØVEKJØR NA' button. The main content area is dominated by a large news article titled 'Nå kommer idrettens dom over Tromsø-OL' with a sub-headline 'TROMSØ-OL 2018'. The article features a photo of an elderly woman and text about the Olympic bid. To the right of the article is a weather widget for Oslo, Lillehammer, Hamar, Bergen, and Tromsø, along with a promotional banner for Widerøe flights. Below the main article are several smaller news snippets, including 'Serverte vin til 3500 kr pr. flaske', '15.000 meldt savnet siden 1997', and 'Nye tak-ran - Smerter og angst etter skuddrama'.
